

## 52 Mentor Activities: An activity for each week!

Feel free to change the activities to fit your mentee's interest, or come up new activities!

- 1) "Mentees are teachers!" Let your mentee plan to teach you something they are knowledgeable about, and let them teach it.
- 2) "Go on a trip!" Not really of course, but choose a place you have always wanted to visit (Fiji, Greece, Disney World) find pictures and fun facts in magazines, books and online. When is the best time to go? What do you want see while you are there? Then make your own scrapbook or travelers guide. A great way to explore and learn geography!
- 3) Play the "Who, what, when, where, why, how" game. Rip 6 pieces of paper and on each write "who", "what", "when", "where", "why" and "how". Read a story, and take turns drawing one of the pieces of paper and answering a made up "who", "what", "when", "where", "why" or "how" about the story.
- 4) "Learn a language!" Learn Sign language, Spanish, Latin or Pig Latin! Teach each other a new word or phrase at each session. Write them down to keep track and see how many you can remember.
- 5) "Show and Tell!" You and your mentee can both bring in photos or items that important to you.
- 6) Set a goal
- 7) "Act it out!" Go to the library find a play, and read it out loud.
- 8) Make your own board game.
- 9) You can each make a list of 25 things you want to do or accomplish during your lifetime and share it with one another.
- 10) "Write a letter!" Talk to your school's mentor coordinator about finding a pen pal for you and your mentee at their school (the principal or guidance counselor), abroad or with armed service member.
  - a. For younger students you can work on your letter together letting them dictate to you or maybe help to write.
- 11) "Serve!" Come up with a service project you can do at your mentee's school. Plant flowers or plan to read to a lower grade.
- 12) "Rubber Egg?!" Do the rubber egg experiment or another egg experiment. Plan it out, come up with a hypothesis and make sure to get permission from your mentor coordinator.

## 52 Mentor Activities: An activity for each week!

Feel free to change the activities to fit your mentee's interest, or come up new activities!

- 18) "What's your plan?" Make a timeline of your life over the next 5-10 years. What do you want to accomplish by the time you are 10, 16, 18 and 25?
- 19) "Make a collage!" Choose a theme like: "What do I want in my future?", "What is fashion", "What I want to be", and find pictures and words in old magazines and glue them on paper.
  - a. For younger students you can collage a specific letter and cut pictures out that begin with that letter, or make a number chart finding and cutting out pictures of: 1- dog, 2- letter "w", 3- shoes, etc.
- 20) "Play!" Learn how to play a new sport. Look up the rules, find clips, etc of how to play cricket, hacky sack, or water polo.
- 21) Make a kite
- 22) Play Frisbee
- 23) Make a scrapbook or photo album
- 24) "Knit or Crochet!" Find books in the library or clips online on how to do it, and learn how together!
- 25) Paper Airplanes! Find a book or website about how to make different kinds of paper airplanes, and have a contest to see whose goes the farthest!
- 26) Discuss a current event
- 27) "Take a tour!" Let your mentee give you a tour of their school.
- 28) "Help wanted!" Fill out mock applications for jobs or help your mentee create their résumé. (<http://sbandcompany.com/images/practice-employmentapp.pdf> or <http://jobsearch.about.com/od/jobappsamples/a/sampleapp.htm>) If the mentor has a résumé you may want to bring it, and share it with your mentee (Be sure to remove any personal information).
- 29) "Solve it!" You and your mentee both take time making up your own math worksheets, then swap sheets, set the timer and see how many each of you can get done. This is most beneficial as a skill/self-esteem building activity if the mentor makes sure the math problems they create are on their mentee's math level. Your mentee will get a kick out of making your problems as difficult as they can! 😊
- 30) Organize! Assist your mentee in organizing school work and developing study schedules.
- 31) Take your mentee's spelling words and cut the letters to spell each word out of news papers, magazines, and pictures (when applicable), etc. and make spelling word flashcards.
