

## **\*\*Sock Puppeteers\*\***

Don't know what to do with those old socks? Bring them to your mentoring sessions and put on your creativity shoes!

What you need:

- ❖ Old socks in need of TLC
- ❖ Yarn
- ❖ Markers, paints, etc
- ❖ Buttons
- ❖ Glue
- ❖ Felt
- ❖ Any fun accessories you can think of!

Dr. Sonna suggests that they try the sock on their hand first, and mark the locations for eyes, nose, ears and so on with a marker or chalk. Yarn for hair, buttons for eyes and red felt for a tongue are great additions. A bow tie can denote a boy doll, and a hair bow can denote a girl. Once you've made a few of them, have a puppet show together!
