

# Change the world... one child at a time.

**Sign up to be a mentor today!**

Go to [www.connecting-generations.org](http://www.connecting-generations.org)

Mentoring works. Students with a mentor improve behavior, attendance and grades. They develop crucial life skills, such as self-confidence, resilience and perseverance.

**Free training. Ongoing support. Endless rewards!**

**Mentoring takes place in local schools**, once per week for 30-60 minutes. We need mentors for students in grades K-12. Mentoring is fun and easy!

Mentoring sessions taking place now!
