

Words of the Week Flashcards

Take your mentee's spelling words and cut the letters to spell each word out of news papers, magazines, and pictures (when applicable), etc. and make spelling word flashcards. Use this to activity to talk about both the spelling words of the week, but also all the ways we use and see words throughout the day.

Questions to think about:

- ✓ Do you ever read without thinking about it? When?
- ✓ Do you ever see words on TV? What shows are they on?
- ✓ What other ways can you think to practice spelling throughout the day?
- ✓ What words do you see every day that you struggle with?
